Montecito Bank & Trust is pleased to offer you the many benefits of personal online banking. This Consumer Online Banking Agreement & Electronic Funds Transfer Act Disclosure ("Agreement") only applies to consumer accounts and includes certain disclosures for electronic transfers and transactions. This Agreement, which includes the Enrollment Form, is a contract by and between Montecito Bank & Trust and you. It establishes the rules that cover electronic access to your accounts at Montecito Bank & Trust Online and/or MB&T Mobile, electronic banking systems (hereinafter referred to as "System"), using a personal computer, wireless access device, or other handheld device and the Internet, subject to these terms and to the limitations of your Internet and wireless access device service provider.

This Agreement is in addition to other agreements between Montecito Bank & Trust and you, including but not limited to (as applicable), your checking, savings, other deposit account agreements, as may be modified from time to time, and any loan agreement. If there is a conflict between the terms and conditions of this Agreement and those contained in the other agreements between you and us, this Agreement will control. All times are local time (Pacific Time) of Bank. This Agreement will be effective as of the first day we make the Services accessible to you.

General Terms

Definitions. In this Agreement, defined terms have the meaning given to them. In addition:

- An "account" means any account you maintain with us and can include all accounts and products you use with us. Your "Account" is the account you have designated as the account accessible to the Services;
- Your "available balance," "available funds" and similar words mean the balance in your Account as determined under our funds availability policy;
- "Communication(s)" means instructions and actions from you (or attributable to you under this Agreement or otherwise) received by us through the Services;
- A "consumer account" shall mean an account that is established primarily for personal, family or household purposes, and is subject to the EFTA as a "consumer account."
- Your "Security Codes" are the credentials (such as codes and passwords) that are associated with you and used by us to verify the authenticity of Communications from you. Security Codes are used to access Accounts and to use the Services. The Security Codes include any supplemental or alternative method used to verify the authenticity of Communications that may be offered or presented to you by us from time to time;
- The "Service(s)" is the online banking interface and the banking services described in this Agreement

- The "Mobile Banking Service(s)" is the mobile app which offers similar functionality to the online banking interface;
- The words "we," "us," "our," "Bank" and similar terms are used to refer to Montecito Bank & Trust; and
- The words "you," "your" and similar terms are used to refer to the person entering into this Agreement and to each person who is an owner of or has an interest in an Account together with anyone else authorized by that account holder to exercise control over the account holder's funds through the System.

Agreement. Subject to our approval and to any limits we impose, you may designate Accounts for access through the System and for the Services. We may act on requests for information, or requests to facilitate any Service requested on or associated with an Account, from any Account owner (including joint owners) or their authorized representatives, including authorized signers. Each time you use our Services or you permit any other person to use our Services, you are agreeing to the terms and conditions that we have set out in this Agreement, including any instructional materials regarding the Services, as amended from time to time.

Eligible Accounts. Accounts will automatically link to the Services based on your relationship to the Accounts. We are not, however, obligated to establish access to any or all of your Accounts, and not all Services may be available with all Accounts. Some Services may not be available without special application to and approval by us or may be limited to specific types of Accounts.

Eligible Accounts include the following types: checking, money market, savings, and time deposits. In addition, we allow loans and lines of credit to be linked, in which case you agree that the relevant loan agreement, note, or other document is modified to the extent necessary to allow the transfers or other Services that may be utilized. Certificates of deposit are time deposits where early withdrawals may result in a penalty fee. No online transactional activity is allowed on certificates of deposit or Insured Cash Sweep (ICS) accounts, which are view only. Accessibility to Accounts may vary based on the Service(s) you use.

Sufficient Funds. You must have sufficient available funds in your Account to cover the amount of any transaction that would be charged to your Account. Subject to limitations set out in this Agreement, you can request payments up to the amount of available funds or available credit in your Account. We may hold (or "freeze") funds at any time after you have initiated a Service for any reason, including as a means of reducing risks that there will be insufficient funds for completing the Service. If we do hold funds, we may treat the held funds as not available for other purposes, and reject other transactions (for example, checks or other transfer instructions) in any order we choose. We may allow overdrafts/overlimits or negative balances, but we also may discontinue the practice at any time with or without prior notice to you. We may prevent or reverse any payments or other Service in any order that we choose as a means of preventing or recovering any overdrafts or other exposures. If you do not have sufficient or available funds or credit, you may be charged an overdraft or other fee (such as fees for returned checks or other electronic items). Refer to the Service Fees and Charges Section of this Agreement for fee details.

Waiver of Two Signatures and Other Access Restrictions: Your Accounts may be subject to access restrictions when you conduct transactions in person or when you are using systems other than with a Service. For example, there may be a requirement for two signatures on checks. If access restrictions exist, they do not apply to your use of the Services. We may limit or deny Services to you if there are access restrictions (for example, requirements for two signatures). Conversely, we may process your transactions based on Communications without regard to or any need to comply with access restrictions otherwise applicable to your Accounts. For example, we may ignore requirements for two signatures.

Compliance with Laws and Rules. You agree to comply with all state and federal laws, rules and regulations applicable to you and to your use of the Services (the "Laws"), including the operating rules of all systems used to provide Services to you (the "Rules"), and to provide evidence reasonably satisfactory to us of the same if requested by us. You agree not to use the Service for any illegal purpose, including but not limited to illegal Internet gambling. Without limitation, you agree and acknowledge that the Services may not be used by you in violation of the laws of the United States, including sanctions laws administered by the Office of Foreign Assets Control.

Additionally, each Account and the Services will be subject to and governed by the following:

- The terms or instructions appearing on a screen when using a Service;
- Our "Deposit Account Terms and Disclosures" account agreement, and our rules, procedures and policies;
- Applicable provisions of any loan agreement between you and the Bank; and
- Applicable provisions of the rules of the National Automated Clearing House (ACH) Association (NACHA) for Bill Payments (defined below) facilitated through the ACH.

You agree to maintain the confidentiality of the Security Codes at all times and not to provide access to them to anyone that you do not authorize to access your Accounts through the Services.

You expressly acknowledge that any wireless access to the Services initiated by you may not be secure and, in such cases, you assume the risk associated with unauthorized access to the Service and any information contained therein, resulting from such wireless connectivity.

We make every commercially reasonable effort to provide reliable information on our website. You acknowledge and expressly agree to be solely responsible for any fees imposed upon you by your Wireless Access Device provider and/or participating carrier (i.e. message and data rates). You are responsible for obtaining and maintaining the compatible Wireless Access Device required to use the Mobile Banking Services. To access Mobile Banking service and functions, your Wireless Access Device must be Internet enabled and connected to the Internet through your mobile communications service provider. In order to properly use the Mobile Banking Services, you should review and follow the instructions provided in our Online Banking system. You agree to accept responsibility for learning how to use the Mobile Banking Services in accordance with the online and mobile application instructions and agree that you will contact us directly if you have any problems with Mobile Banking Services. You also accept responsibility for making sure that you know how to properly use your Wireless Access Device. If you obtain a different Wireless Access Device, you will be required to download and install software, to that different Wireless Access Device, under the same terms set forth in this Addendum, as amended. You agree to delete all such software from your Wireless Access Device promptly if the licenses or this Addendum terminate for any reason. Privacy and Confidentiality

All information gathered from you in connection with using the Service will be governed by the provisions of our Privacy Policy, including the internet Privacy Policy (for the purpose of this Agreement collectively, "Privacy Policy") which you agree to review by accessing on our homepage. Your access or use of our website constitutes your agreement to the terms and conditions of our Online Privacy Policy, and our use of information gathered about you in accordance with that policy. Our Privacy Policy may be revised from time to time. We may notify you of the changes by mail, email, or by posting a modified Privacy Policy on our website. Your continued use of our website or any Service following such notification or postings will constitute your acceptance of the revised Privacy Policy. Accordingly, please check our website regularly for revisions to the Privacy Policy. Websites linked to our website may publish separate privacy and security policies in connection with your use of their sites and services.

Please refer to their rules whenever you leave our website.

In addition, we will disclose information to third parties about your accounts or the transfers you make:

- If it is necessary for completing transfers or otherwise carrying out your instructions
- If it is necessary to verify the existence and conditions of an Account for a third party, such as a credit bureau, a merchant, or any holder of a check issued by you through the Bill Payment Service;
- In order to comply with laws, government agency rules or orders, court orders, subpoenas or other legal process or in order to give information to any government agency or official having legal authority to request such information;
- In order to provide you with information about bank products and services that we believe will be of interest to you;
- If you otherwise give us your written permission; and
- To the extent otherwise permitted or required by law.

The Bank may disclose information about your account-to-account verification services, such as Early Warning Services, LLC, for example, if we close your account because of your unsatisfactory handling, fraud or attempted fraud or criminal activity. Information we report usually includes your name, address, Taxpayer Identification Number (TIN), driver's license number and the date and reason for the report. The account verification service may supply this information to others. This may adversely impact your ability to establish an account at another financial institution.

AS REQUIRED BY LAW, YOU ARE HEREBY NOTIFIED THAT WE MAY REPORT INFORMATION ABOUT YOUR ACCOUNT TO CREDIT BUREAUS. LATE PAYMENTS, MISSED PAYMENTS, OR OTHER DEFAULTS ON YOUR ACCOUNT MAY BE REFLECTED IN YOUR CREDIT REPORT.

We may also seek information about you from others, such as credit bureaus, in connection with the opening and maintaining of your Account, approving your access to the System, or as part of our on-going relations with you. You agree and hereby authorize all these transfers of information.

Linking Accounts

Accounts will automatically link to the Services based of your relationship to the Accounts. We reserve the right to refuse to link any Accounts, at our discretion.

Security Code Credentials; System Security

During your enrollment for the Services, you are required to select or will be assigned certain numbers, codes, marks, signs, public keys or other means of authenticating your identity and electronic communications in your name. These may include a user ID, and password. You control the user ID and password. These credentials, with the other components of your Security Codes, will give access to your Accounts through the Service.

You agree to protect the confidentiality of your Account information and Account numbers. You also agree to protect the confidentiality of your personal identification information, such as your driver's license number and social security number. Your contribution is important to protect the security of your access to the Services. You can help prevent unauthorized access by following these security tips:

- Protect your Security Codes, including user ID and password by keeping them unique and known only to you. They should be memorized rather than written down;

- Change your password routinely; a good practice is every 90 days;
- Choose a password that uses both upper and lower case alpha and numeric characters for purposes of security, and is difficult to guess. Avoid using an easily guessed password such as a word found in the dictionary, your name, your significant other's name, your pet's name, your birthday, or any other commonly known personal identification, such as social security numbers, address, or names of children;
- Your password should be memorized rather than written down or displayed in a place where others can view it;
- Log off the System by clicking on the "Log Off" option. We also suggest you clear your cache by shutting down your browser which will normally clear your cache; alternatively, you can clear your cache using the instructions provided in your browser's online help system;
- Maintain general security over your personal computer such as virus protection and employ physical access controls; and
- Maintain your hardware, software and Internet service and ensure that you have the latest in security updates.

We may offer to you or require you to use additional authentication tools or methods from time to time. If you choose not to implement supplemental authentication tools, your access to some or all Services may be limited. The term "Security Codes" will include any supplemental authentication tools that are used by you.

Data transferred via the System is encrypted in an effort to provide transmission security. The System also utilizes encryption identification technology to verify that the sender and receiver of the System transmissions can be appropriately identified by each other. This is designed to assist your computer and our computer in identifying each other as authorized users of the System. Notwithstanding our efforts to insure that the System is secure, you acknowledge that the Internet is inherently insecure and that all data transfers (including funds transfers, Bill Payments and electronic mail communications) occur openly on the Internet. This means that the data transfers potentially can be monitored and read by others. We cannot and do not warrant that all data transfers utilizing the System will not be monitored or read by others.

Cut-off Times

A Communication received by us after the cut-off time on a business day, or on a day that is not a business day, may be treated by us as if it were received on the next business day. At our option, however, we may treat it as received the same day as the day of receipt. There can be a delay between the time when you send a Communication to us and the time we receive it. Our current cut-off hour for transfers between Accounts is 5:00PM. Bill Payment and check stop payment orders may have separate cut-off hours, identified below or in the Bill Pay and Zelle® Terms of Service.

E-Mail

Electronic mail ("e-mail") sent to us is not a secure method of communication, may not be received by us, may be sent to the wrong person, may not be opened promptly or for other reasons may not be acted upon. We therefore recommend you do not send information by e-mail. We may disregard e-mail we receive from you, or we may act on it, at our option. If we do act on an e-mail you send, doing so shall not be deemed a waiver of our right in the future to act or not act on your e-mail messages.

Unless otherwise provided herein, e-mail messages will not serve as a substitute for any requirement imposed on you to provide us with "written" notice.

E-mail or messages sent by us to you will be deemed received by you when sent by us to you at your e-mail address as shown on our records. You should ensure that our e-mail is not blocked by your anti-spam or anti-virus software. You agree to notify us (using the Service or otherwise in a form acceptable to us) whenever your e-mail address changes. You agree that information or messages made available to you via the Services will be deemed received by you when first posted on our website or made available to you. You agree to access the Service from time to time, in no event less than monthly, to access this information or the messages.

Electronic Statements

We may make available an electronic statements ("eStatements") program under which online customers may elect to receive their account statements through the System. If you have eStatement services, you are required to receive your Account statements electronically. If you receive electronic statements, an e-mail notification will be sent to the e-mail address provided by the primary account holder to let you know when your eStatement is available for viewing, so the primary account holder must maintain a current e-mail address with us. Your normal statement cut-off date will not change when you elect to receive eStatements. eStatements will be available for viewing by you for at least 18 months after the date it is posted on the System website as long as your account and Online Banking Services remain active during that time. If you receive electronic statements, you will be required to agree to additional terms for the electronic statements program. This provision merely serves to describe the program.

Bill Payment Service

The Bank offers a Bill Payment Service for customers with a demand deposit Account. For features, limitations, and information on the Bill Payment Service, please see the Bill Pay and Zelle® Terms of Service.

Check Stop Payment Services

You may request a stop payment on a check issued on your Account(s) by completing the form presented as part of the check stop payment service and submitting all the required information to us ("Check Stop Payment"). Check Stop Payments must be received by us in sufficient time prior to presentment of the relevant item for payment that we have a reasonable opportunity to act on the request. You understand that it is your responsibility, and not the responsibility of the Bank, for determining whether a check you have written from your Bank account has or has not previously been paid. You acknowledge that a review of the System account history and of your account records may fail to reveal a check was previously paid, in which case we will not be responsible for any loss suffered by you. We may, but are

not obligated to, notify you if we determine the check was paid on the day the stop-payment request was received by us.

All Check Stop Payment orders, renewals and revocations of stop orders will be subject to our current policy on stop payment orders. Requests received after our cut-off hour, currently 5:00 PM, or on a day that is not a business day may be deemed received the following business day. For significant or material items, contact us by coming to one of our branches or by telephone in addition to using the Services for Check Stop Payment. There will be a fee assessed for each Check Stop Payment request whether or not we receive the request in time to place the Check Stop Payment. Refer to the Schedule of Fees and Charges for fee details.

You must give us timely, complete and accurate information, including the check date, payee, exact amount of the check, check number and reason for the stop request. If any information is incomplete or inaccurate, we will not be responsible for failing to stop payment on the check.

You may use the Check Stop Payment service to stop payment on checks that you have written against your Accounts. If you wish to cancel or amend any other Service transaction (for example, the Bill Payment Service), you should use the process applicable to that Service and you will be subject to any limitations or inability to stop applicable to that Service.

You may not use the Check Stop Payment service to stop payment on any ACH/EFT transaction, point-of-sale ACH/EFT transfer; any cashier's check, certified check or other official institution check you have purchased from Bank or any check which we have guaranteed. You understand that your Check Stop Payment request is conditional and will not be effective if we have not had a reasonable opportunity to respond to your request, or that stopping payment may subject us to risk of loss or damages under any law or regulation (including clearing house or other processor rules).

A Check Stop Payment request against a check is effective only against the check that is described in the Check Stop Payment request form; and does not cancel or revoke any authorization for future or recurring ACH/EFT transfers by you or by the same biller or originator. We will generate and mail to you a stop payment confirmation. You must notify us immediately if any information on the stop payment confirmation is incorrect. A Check Stop Payment order is effective for six (6) months. After the six (6) months, the stop order will expire automatically, at which time you are responsible for any renewal desired by you for another six (6) month term.

Account Notifications

You may have the ability to set up an account notification ("Alert") feature which is a convenience feature that permits you to request automated notification of specific situations. For example, you may request an Alert when an account has reached a certain balance or a check has been processed. You are responsible to input accurate information to set up the account notifications. Alerts do not replace standard communications you receive from us concerning your accounts. Receipt of Alerts may be delayed, or prevented by factor(s) affecting your Internet service provider(s), phone operator(s), and other relevant entities. We neither guarantee the delivery or the accuracy of the contents of any Alert. We will not be liable for losses or damages arising from (a) non-delivery, delayed delivery, or wrong delivery of any Alert; (b) inaccurate content in an Alert; (c) your use or reliance on the contents of any Alert for any purposes. We reserve the right to terminate any request from you, for any Alert, at any time. The information in any Alert may be subject to certain time lags and/or delays.

You will manage the types and timing of your Alerts, and the Alerts may be stopped or suspended by you at any time. Some security alerts, such as password changes or email address changes, are controlled by the Bank and cannot be stopped or suspended by you.

MB&T Mobile (Mobile Banking Services)

To the extent the Mobile Banking Service involves our having granted you software license ("software") usage rights, such grant shall be a personal, non-exclusive, non-transferable right to access and use the Mobile Banking Service in connection with your personal use in accordance with this Agreement. The Mobile Banking Services do not involve the sale of software. Nothing in this Agreement will entitle you to receive technical support, telephone assistance regarding the software, or updates to software. Upon termination, you agree to immediately destroy all copies of any software which had been downloaded to your Wireless Access Device or otherwise in your possession and control as part of your access and use of the Mobile Banking Service. Without limiting the generality of the foregoing, you agree not to: (a) make the Mobile Banking Service available or allow use of the Mobile Banking Service in a computer bureau service business, or on a timesharing basis, or (b) otherwise disclose or allow use of the Mobile Banking Service by or for the benefit of any third party.

Mobile Banking Service Limitations - The availability, timeliness and proper functioning of the Mobile Banking Services depends on many factors, including your Wireless Access Device location, wireless network availability and signal strength, and the proper functioning and configuration of hardware, software, and your Wireless Access Device. Neither we nor any of our service providers warrants that the Mobile Banking Service will operate without interruption, and neither we nor our service providers shall be liable for any loss or damage caused by any unavailability of the Mobile Banking Services, including service interruptions, delays, or loss of personalized settings. Neither we nor any of our service providers assumes responsibility for the operation, security, functionality or availability of any Wireless Access Device or mobile network which you utilize to access the Mobile Banking Services.

THE MOBILE BANKING SERVICES ARE PROVIDED "AS IS" WITHOUT WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, WARRANTIES OF PERFORMANCE OR MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR NON-INFRINGEMENT OR ANY OTHER WARRANTY AS TO PERFORMANCE, ACCURACY OR COMPLETENESS.

You agree to exercise caution when utilizing the Mobile Banking Services on your Wireless Access Device and use good judgment and discretion when obtaining or transmitting information.

External Accounts

You may be able to use the Services to link External Accounts, accounts held at financial institutions other than the Bank, to your profile. You will generally be able to view balance and transaction activity from the External Accounts you enroll. Not all financial institutions are supported by this feature and balance and transaction activity may be limited. You are responsible to input accurate and updated (as necessary) information to set up the External Accounts, which may include account numbers, usernames, passwords, and other log-in related information. We do not guarantee the accuracy of the balance or transaction activity of any External Account. External Account information reported by the Services is timely only to the extent that it is promptly provided by the third-party sites. We will not be liable for losses or damages arising from: (i) inaccurate content in an External Account; or (ii) your use or reliance on the contents of any External Account information for any purposes. We reserve the

right to terminate any request from you, for any External Account, at any time.

Preauthorized Payments- Right to Stop Payment and Procedure for Doing So

If you have told us in advance to make regular payments out of your Account, you can stop any of these payments. Here's how:

Notice of Varying Amounts

If regular payments may vary in amount, the person you are going to pay will tell you, 10 days before each payment, when it will be made and how much it will be. You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.

Liability for Failure to Stop Payment of Preauthorized Electronic Transfer

If you order us to stop one of these electronic payments 3 business days or more before the transfer is scheduled to be made, and we do not do so, we will be liable for your losses or damages.

Consumer Liability

Tell us AT ONCE if you believe any part of your Security Code, including your password, has been lost or stolen, or if you believe that an electronic fund transfer has been made without your permission.

Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit, as applicable). If you tell us within 2 business days after you learn of the loss or theft of any part of your Security Code, including your password, you can lose no more than \$50 if someone used your Security Code without your permission.

If you do NOT tell us within 2 business days after you learn of the loss or theft of any part of your Security Code, including your password, and we can prove that we could have stopped someone from using any part of your Security Code without your permission if had you told us, you could lose as much as \$500.

Also, if your statement shows transfers that you did not make, including those made by card, code or other means, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you informed us in time. If a good reason (such as a long trip or a hospital stay), kept you from telling us, we will extend the time periods.

Contact In Event of Unauthorized Transfer

If you believe any part of your Security Code (including your password) has been lost or stolen call: 805-963-7511 or 800-348-0146; or write to us at:

In Case of Errors or Questions

In case of errors or questions about your electronic transfers, telephone us at: 805-963-7511 or 800-348-0146; or write to us at:

Montecito Bank & Trust, P.O. Box 2460, Santa Barbara, CA 93120

as soon as you can, if you think your statement is wrong or if you need more information about a transfer listed on the statement. We must hear from you no later than sixty (60) days after we sent you the FIRST statement on which the problem or error appeared.

- Tell us your name and account number (if any).
- Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- The dollar amount of the suspected error.

If you tell us orally, we may require you send us the complaint or question in writing within ten (10) business days. We will determine whether an error occurred within ten (10) business days after we hear from you and will correct any error promptly. If more time is needed, however, we may take up to forty-five (45) days to investigate a complaint or question. If we decide to do this, we will credit your account within ten (10) business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not credit your account.

For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to 90 days to investigate your complaint or question. For new accounts, we may take up to 20 business days to credit your account for the amount you think is in error.

We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may request copies of the documents that were used in the investigation.

Service Fees and Charges

There is no monthly service charge associated with the utilization of MB&T Online Banking, Bill Payment, or Mobile. Fees and charges associated with your Account(s) are disclosed in the disclosure provided to you with the Account(s) at the time of opening and in fee schedules and disclosures that have been provided to you in connection with your account. Fees are subject to change. Please contact us as provided in the "In Case of Errors or Questions" Section of this Agreement or visit one of our branches for current information about applicable fees. We may impose new fees and charges, or increase or change existing fees and charges. We will provide advance notice of these changes to you if required by law. You authorize us to charge the designated Account and/or any other account you hold with us to cover your fees and charges. You also authorize us to charge you according to our then-current fee schedule.

For a current Schedule of Fees and Charges, please visit: [Montecito Bank & Trust: Disclosures](#).

Fees may be assessed for added features of the System such as stop payment requests and insufficient available funds transactions.

While there is no fee or charge assessed by the Bank for you to access MB&T Mobile, you may incur charges to receive Internet service on your Wireless Access Device. You may also incur charges from your telecommunications carrier when sending and receiving text messages from the Bank. You hereby agree that you, and not the Bank, will be responsible for providing a compatible Wireless Access Device and maintaining the third-party cellular contract, including paying fees, charges and taxes associated with the service (including, but not limited to, text messaging charges, and Internet access charges, as applicable.)

You agree to pay any additional charges for Bank services you request that are not covered by this Agreement. You are also responsible for telephone, Internet and any other third-party fees you incur in connection with your use of the System.

If you do not use this Service for any 180-day period, we reserve the right to discontinue your Service without notice to you.

To the extent permitted by law, you give us the right to set off any of your deposits or property which may be in our possession against any amount owed to us under this Agreement. This right of set off does not extend to any Keogh, IRA account, or similar tax-deferred deposit.

Hours of Operation

You will generally be able to use Services seven days a week, 24 hours a day. However, a Service may not be available due to system maintenance or circumstances beyond our control. Services may be added, cancelled or limited at any time or from time to time, with or without cause or notice (except as required by law).

Financial Institution's Liability

If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:

- If, through no fault of ours, you do not have enough money in your account to make the transfer.
- The transfer would go over the credit limit on your overdraft line (if applicable).
- Circumstances beyond our control (e.g., fire, flood, power outage, equipment or technical failure or breakdown) prevent the transfer, despite reasonable precautions that we have taken.
- The computer or related system was not working properly, and you knew about the breakdown when you started the transfer.
- Your funds are subject to legal process or other encumbrance restricting the transfer.

There may be other exceptions stated in this Agreement and in other agreements with you. For example, you agree that we will not be liable for viruses, worms, trojan horses, or other similar harmful components that may enter your computer system by downloading information, software, or other materials from our site. We will not be responsible or liable for any indirect, incidental or consequential damages that may result from such harmful components. We will not be liable for delays or losses of payments caused by the U.S. Postal Service or other delivery service.

WE MAKE NO WARRANTY TO YOU REGARDING ANY SERVICE OR SOFTWARE, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE.

Severability

Wherever possible, each provision of this Agreement shall be interpreted in a manner which makes the provision effective and valid under applicable law. If applicable law prohibits or invalidates any part or provision of this Agreement, that particular part or provision shall be ineffective only to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

Headings

The headings in this Agreement are for convenience or reference only and will not govern the interpretation of the provisions.

Entire Agreement

This Agreement contains the entire agreement between the parties and no statements, promises or inducements made by either party or agent of either party that are not contained in this written Agreement or other documents referenced by this Agreement.

Choice of Law, Jurisdiction and Venue

This Agreement shall be governed by and interpreted in accordance with the laws of the State of California, except where preempted by federal law. Jurisdiction and venue for any action shall be in the courts for Santa Barbara County, state of California.

Amendment of this Agreement

We may amend, add to or change this Agreement (including changes in fees and charges hereunder). We will provide notice of amendments, additions or changes if required by applicable law. Your continued use of the Services will constitute your consent to the amendments, additions or changes.

DISPUTE RESOLUTION - JURY WAIVER AND JUDICIAL REFERENCE

TO THE EXTENT PERMITTED BY APPLICABLE LAW, IN ANY JUDICIAL ACTION OR PROCEEDING ARISING FROM OR RELATING TO THIS AGREEMENT, INCLUDING ANY ACTION OR PROCEEDING INVOLVING A CLAIM BASED ON OR ARISING FROM AN ALLEGED TORT, THE PARTIES HEREBY WAIVE ANY RIGHT THEY MAY HAVE TO REQUEST OR DEMAND A TRIAL BY JURY.

The parties agree that any disputes between them or claims against the other, arising out of or related to this Agreement shall be heard by a referee and resolved by judicial reference pursuant to California Code of Civil Procedure Sections 638 et seq.

The referee shall be a retired California state court judge. The parties shall not seek to appoint a referee that may be disqualified pursuant to California Code of Civil Procedure Section 641 or 641.2 without prior written consent of all parties. If the Parties are unable to agree upon a referee within ten (10) calendar days after one party serves a written notice of intent for judicial reference upon the other party, then the referee will be selected by the court in accordance with California Code of Civil Procedure Section 640(b).

The referee shall conduct the proceedings in accordance with the California Code of Civil Procedure, the Rules of Court, and California Evidence Code, except as otherwise specifically agreed by the parties and approved by the referee. The decision of the referee shall be entered as a judgment in the court in accordance with the provisions of California Code of Civil Procedure Sections 644 and 645. The decision of the referee shall be appealable to the same extent and in the same manner that such decision would be appealable if rendered by a judge of the superior court.

Notwithstanding the foregoing, each party acknowledges that its violation of this Agreement may cause irreparable injury to the other party, and agrees that the other party shall be entitled to seek temporary and preliminary injunctive relief in a court of competent jurisdiction without the necessity of proving actual damages or posting a bond, to prevent such violation.

This clause shall not preclude parties from seeking provisional remedies in aid of judicial reference from a court of appropriate jurisdiction. This includes, without limitation, obtaining

injunctive relief or a temporary restraining order; obtaining a writ of attachment or imposition of a receiver; or the Bank exercising its right of setoff or its security interest in any of your accounts.

Nothing in this Agreement shall preclude any party from seeking injunctive relief, but no equitable relief other than injunctive relief shall be sought from such court. The statute of limitations, estoppel, waiver, laches, and similar doctrines, which would otherwise be applicable in an action brought by a party, shall be applicable in any judicial reference proceeding.

During the pendency of any dispute which is submitted to mediation or judicial reference in accordance with this Agreement, each of the parties to such dispute shall bear equal shares of the fees charges and costs incurred by the referee in performing the services described in this Agreement, unless prohibited by law or the referee orders otherwise. The compensation of the referee shall not exceed the prevailing rate for like services.

To the extent allowed by applicable law, each party shall bear their respective fees and expenses, including, but not limited to, attorney's fees, expert's fees, witness fees, and other related expenses.

Additional Terms and Conditions

Non-Waiver. We may choose to not enforce any term or provision of this Agreement at any time or from time to time, but any such action shall not be deemed a waiver of the term or provision in the future.

Assignment. We may assign the rights and delegate the duties under this Agreement to a company affiliated with us or to any other party. You may not assign your rights or obligations under this Agreement, and any effort by you to do so is unenforceable at our election.

Termination; Suspension; Delay. Except to the extent restricted by law, we reserve the right to terminate or to discontinue support of any Service, or delay or refuse processing any transaction, without written notice. You may terminate this Agreement upon 30 days written notice to us. Termination of this Agreement will not affect any rights we may have, or any obligations you may have, as to any transaction or Services caused or attempted by you before termination.

MONTECITO BANK & TRUST MOBILE CHECK DEPOSIT ADDENDUM TO CONSUMER ONLINE BANKING AGREEMENT

Acceptance of this Addendum

This addendum governs your use of Montecito Bank & Trust's mobile check deposit service ("Mobile Check Deposit"). By enrolling in Montecito Bank & Trust's Online Banking Service, you agree to the terms and conditions of this Mobile Check Deposit Addendum to Consumer Online Banking Agreement ("Addendum"). Except to the extent otherwise defined herein, defined terms in this Addendum will have the meaning provided in the Consumer Online Banking Agreement ("Agreement"). The term "Online Banking" will refer to the online banking system and services provided by Montecito Bank & Trust pursuant to the terms of the Agreement. To the extent there are conflicts between the terms of the Agreement and this Addendum, this Addendum will control.

The accounts that you access using Mobile Check Deposit are subject to the terms and conditions of the deposit agreement for those accounts, as well as the terms and conditions of the Agreement, as supplemented and modified by this Addendum. For accounts established primarily for personal, family or household purposes, note that your Agreement includes important consumer protection disclosures under the Electronic Fund Transfers Act which continue to apply.

Mobile Check Deposit Service

The Mobile Check Deposit Service enables you to use a software application together with your Wireless Access Device to create electronic images of the front and back of certain Original Paper Items (defined below) and transmit those images and other information, including, without limitation, information captured from the magnetic ink character recognition ("MICR") line, to us for review and processing in accordance with this Addendum.

Defined Terms. For the purpose of the Mobile Check Deposit Service, the following words shall have the following meanings:

"Documentation" means all documentation, the user manual, any other manuals, all instructions (including on-line instructions) relating to the Services which we may provide to you from time to time in connection with the Services.

"Endpoint" means any Federal Reserve Bank, financial institution, local clearing house, courier or other entity or location for the delivery of cash letters or other presentment of Image Exchange Items or Substitute Checks.

"Electronic Item" means the digitized image of a Paper Item that is created by you and transmitted to us using the Service.

"Image Exchange Item" means a digitized image of an Item cleared and settled directly with a Paying Bank without conversion to a Substitute Check.

"Item" means a Paper Item that is payable on demand, drawn on or payable through or at an office of a United States Financial Institution, whether negotiable or not, and payable to you, and includes Original Paper Items, Substitute Checks and Image Exchange Items. Such term does not include Non-cash Items or Items payable in a medium other than United States money.

"Non-cash Item" means an Item that would otherwise be an Item, except that: (i) a passbook, certificate or other document is attached; (ii) it is accompanied by special instructions, such as a request for special advice of payment or dishonor; (iii) it consists of more than a single thickness of paper, except an Item that qualifies for handling by automated check processing equipment; or (iv) it has not been preprinted or post-encoded in magnetic ink with the routing number of the Paying Bank.

"Original" with respect to a Paper Item means the first paper Item issued with respect to a particular payment transaction.

"Paper Item" means an Original Paper Item, as defined in Regulation CC, except that Paper Item does not include a Substitute Check or a remotely created check.

"Paying Bank" means the United States Financial Institution ordered in an Item to make payment to the payee(s) named on the Item.

"Regulation CC" means 12 C.F.R. Part 229, as it may be amended from time to time.

"Substitute Check" means a paper reproduction of an Item that satisfies the requirements and definition of "substitute check" set forth in Regulation CC.

"UCC" means the California Uniform Commercial Code as amended.

"United States Financial Institution" means (i) any person, located in the United States, engaged in the business of banking; (ii) a Federal Reserve Bank; (iii) a Federal Home Loan Bank; and (iv) to the extent it acts as a payor, the U.S. Treasury, the U.S. Postal Service, or a State or local government.

A. Processing Your Electronic Item(s). For all Electronic Items processed by you pursuant to this Addendum, either: (i) digitized images will be converted to Substitute Checks and presented for payment to established Endpoints, or (ii) Image Exchange Items will be presented for payment through image exchange networks. We may in our sole discretion determine the manner of processing. All such processing and presentment shall be done in accordance with timeframes and deadlines set forth in the Documentation and as otherwise established by us from time to time.

Unless otherwise agreed by you and us, we will process any returned Items in accordance with applicable law and the deposit account agreements.

B. Cut-off Hour. If we receive a scanned Paper Item on or before 5:00 p.m. Pacific Time on a business day we are open, we will consider that day to be the day of deposit. If we receive a scanned Item after 5:00 p.m. Pacific Time or on a weekend or a state or federal holiday, we may consider that the deposit was made on the next business day. At our option, however, we may treat the scanned Paper Item as received the same day as the day of receipt. Your account will be provisionally credited upon our acceptance of Electronic Items for deposit which are received by us from you through the Service.

C. Exception Items. Each business day on which we review and process your Electronic Item(s), we will use commercially reasonable efforts to review each Electronic Item and to reject any Electronic Item that we in our sole discretion determine to be ineligible for the Service (each, an "Exception Item"). By way of example, "Exception Item" includes, without limitation, an Electronic Item that (a) is illegible or contains MICR data that is not machine-readable, (b) was previously processed as an Electronic Item, (c) is drawn on banks located outside the United

States and is not payable at or through a bank located within the United States; or (d) that we in our sole discretion otherwise determine that the Electronic Item is not eligible. While we will normally notify you of each Exception Item through the Service, or other communication channels, at our discretion, we may not notify you of an Exception Item. We will not be liable for any rejected deposit or failure to notify you of such rejection. If you wish to attempt to deposit any Exception Item to your account, you shall do so only by depositing the Original Paper Item on which the Exception Item is based at one of our branches, or as otherwise agreed between us. Even if we do not initially identify an Electronic Item as an Exception Item when we review and process the Electronic Item to which the Exception Item relates, the Electronic Item, Substitute Check, or Image Exchange Item may nevertheless be returned to us because, among other reasons, the Paying Bank determines that such item or check is illegible or missing an image. Our failure to identify an Exception Item shall not limit our rights, or preclude or limit your obligation to us as outlined in this Addendum. Our processing of any Exception Items shall not constitute a waiver by us or obligate us to process such Exception Items in the future. We may discontinue processing of Exception Items at any time, without cause or prior notice.

D. Deposits to the Account. Electronic Items processed for deposit through the Service will be deemed to have been received by us for deposit at the time the Electronic Items are actually received and accepted. A deposit of Electronic Items will be deemed to have been received and accepted by us for deposit when all of the following have occurred: (i) we have preliminarily verified that the image quality of the Electronic Items is acceptable to us in our discretion; (ii) all Item information is complete and the deposit totals are balanced to the Item information provided for the deposit; and (iii) we have successfully performed all further validation routines with respect to the deposit. Notwithstanding the foregoing, Electronic Items received by us for deposit may be rejected by us in our sole discretion.

Each Electronic Item deposited pursuant to this Addendum will be deemed to have been deposited at the office where the account is maintained.

E. Deposit Limitations. You may make up to five (5) deposits each day using the Service. The maximum aggregate amount you may deposit using this Service is \$20,000 per day. In addition to any restrictions already provided in this Addendum, we may from time to time establish exposure limitations and assign them to you.

F. Creating and Transmitting Electronic Items to Bank. The following items may not be deposited through the Service: international checks, remotely created checks (whether in paper form or electronically created), checks drawn against a line of credit, or cash. Except as noted in the preceding sentence, only checks, money orders, cashier's checks, or traveler's checks, drawn on or payable at or through a U.S. Financial Institution, can be transmitted through the Service. Additionally, only Items that are made payable to, and endorsed by, you may be transmitted through the Service. Endorsements must be made on the back of the Item in ink within 1 ½ inches from the top edge, although we may in our discretion accept endorsements outside this space. Any loss we or you incur from a delay or processing error resulting from an irregular endorsement or other markings by you will be your responsibility. For an Item payable to you and any joint owner(s) of your account, the Item must be endorsed by all such payees and you may only use the Service to deposit such an Item into an account jointly owned by all such payees. If the Item is payable to you or your joint owner, either of you can endorse it. If the Item is made payable to you and any non-joint owner, commonly referred to as a third party check, you may not deposit the Item into your account using the Service. If you deposit or attempt to deposit a third party Item to your account, your access to the Service may be

revoked. You agree to indicate that the Item has been deposited via the Service by writing the phrase, "mobile deposit XX/XX/XX (date)," or similar on the front of the Item.

G. Availability of Funds. Subject to our right to hold funds as otherwise provided under this Addendum and the deposit account agreements, availability of credit from Items processed under this Addendum will be subject to our funds availability schedule, which may be amended.

Without limitation, you recognize that under the UCC, Regulation CC and the rules of any image exchange network our representations and warranties with regards to Image Exchange Items and Substitute Checks may expose us to claims for several years following processing of the Image Exchange Item or Substitute Check.

H. Returned Items. You are solely responsible for verifying that Items that you deposit using the Service have been received and accepted for deposit by the Bank. The Bank will provide you with notice of any deposits that it is unable to process because Items were returned unpaid by the Paying Bank. In the event that the Bank credits your account for an Item that is subsequently dishonored and returned, you authorize the Bank to debit the amount of such Item plus any associated fees from the account. To the extent the funds in your account are insufficient to cover such amount, we shall debit the deficiency amount from any of your other account(s) with the Bank in our sole discretion. In addition to our right of setoff against your accounts, you also give us a security interest in all your accounts to secure payment of your obligations under this Addendum. Our right to charge your account(s) will apply without regard to whether the Item was timely returned or whether there is any other claim or defense that the Item was improperly returned. You understand and agree, that since the original Item is your property, it will not be returned and the Bank may charge back an image of the Item, an ACH debit, or other electronic or paper debit, as applicable, to your account. You further agree that any image that we charge back may be in the form of an electronic or paper reproduction of the original Item or a Substitute Check. You may not use the Service to deposit a Substitute Check and you may not deposit the original Item through the Service or in any other manner if you receive a dishonored Item. You agree to comply with any additional instructions we may provide to you in connection with returned Items.

I. Your Obligations. In connection with the Mobile Banking Service, you acknowledge and agree to each of the following:

(i) You will only submit Paper Items for processing to us that meet the definition of "Paper Item" as provided in this Addendum and will ensure that the Paper Items scanned meet the ANSI X9.37 standards for image quality required by Regulation CC, or other standards established or required by us or applicable law. These requirements include, but are not limited to, ensuring the following information can clearly be read and understood by sight review of the image: (a) the amount of the Item (both written and numeric); (b) the payee; (c) the signature of the drawer (maker); (d) the date; (e) the Item number; (f) the information identifying the drawer and the paying financial institution that is preprinted on the Item including the MICR line; (g) and all other information placed on the Item prior to the time an image of the Item is captured (such as any required identification written on the front of the Item and any endorsements applied to the back of the Item).

(ii) You will not process any third-party checks;

- (iii) You will not attempt to scan and transmit to us any Paper Item which is drawn on a deposit account of yours with us or any other financial institution, or a deposit account of any business entity of which you are a principal, officer or authorized signer, unless there are sufficient funds to cover the full amount of the Paper Item in the account on which it is drawn;
- (iv) You will not attempt to scan and transmit to us any previously truncated and reconverted Substitute Check. Any previously truncated and reconverted Substituted Check must be physically deposited with us. Notwithstanding the foregoing, we may redeposit any returned Substitute Check or Image Exchange Item consistent with our deposit account terms and conditions;
- (v) You will (a) ensure that Paper Items are restrictively endorsed or otherwise processed to permit only financial institutions to acquire rights of a holder in due course in the collection process of Items, (b) handle, process, maintain, and destroy Original Paper Items as set forth in this Addendum, and (c) ensure that no financial institution (depository, collecting or payor), drawee, drawer or endorser receives presentment or return of, or otherwise is charged for an Item more than once in any form. You agree not to allow an Item to be deposited or presented for payment more than once, to the extent that it could result in the payment of the Item more than once. You will not allow the transmission of an image of an Item that has already been presented to us or to any bank by any other means. You will not allow transmission of an image of an Item that has already been transmitted through the Service. If an image of an Item has been transmitted to us or to any other bank, you will not allow the Item to be subsequently presented by any other means. If any Item is presented or deposited more than once, whether by image or by any other means, we may, at our discretion, reject it or return it and charge it against your account without prior notice to you. In addition, you may be suspended from the Service. For any image which you have transmitted, you shall be responsible for preventing the transmission of another image of the Item or presentment of the Item by any other means. If we return an Item to you unpaid for any reason (for example, because payment was stopped or there were insufficient funds to pay it) you agree not to redeposit that Item via the Service;
- (vi) The Electronic Item is a digitized image of the front and back of the Paper Item and accurately represents all of the information on the front and back of the Paper Item as of the time you converted the Paper Item to an Electronic Item;
- (vii) You shall be responsible for verifying our receipt of your transmission(s) by verifying that deposits have been posted to your account, in addition to cooperating in any investigation and resolving any unsuccessful or lost transmission with us;
- (viii) You shall be responsible for installing and implementing any changes and upgrades to the Service as required by us within 5 days, or sooner if required by us, to ensure compliance with regulatory changes or developments, or to protect the integrity and security of the Services. You acknowledge that changes and upgrades may also be automatically launched by the Service;
- (ix) You understand and agree that a Paper Item that is not paid by a Paying Bank, or is otherwise returned for any reason, will be returned to you and your account charged for the amount of the Item plus any associated fee as disclosed in our schedule of fees. Our right to charge your account will apply without regard to whether the Item is timely returned to us or whether there is any other claim or defense that the Item has been improperly returned to us;
- (x) You will not engage in any activity directly or indirectly related to the use of the Service that is illegal or fraudulent;
- (xi) You shall comply with all laws, rules, and regulations applicable to the Services, including,

without limitation, Regulation CC, Regulation J, the Uniform Commercial Code and any rules established by an image exchange network through which Electronic Items are processed pursuant to this Addendum;

(xii) You provide to us all encoding, transfer, presentment and other warranties made under applicable law as we are deemed to make under applicable law, including without limitation those applicable under the UCC, Regulation CC, Regulation J, and the rules of any image exchange network;

(xiii) You will properly secure the Wireless Access Device you use in connection with the Service (including, but not limited to, securing the security credentials to prevent unauthorized use). You will maintain control over and be responsible for secure retention, storage, and destruction of original Paper Items for which you have created an Electronic Item. After transmitting the Electronic Item to us, you will securely retain the original Paper Items for five (5) calendar days from the transmission date ("Retention Period"). It is your responsibility to establish and maintain procedures to safeguard against unauthorized deposits. You will notify us immediately by telephone at 805-963-7511 or 800-348-0146 if you learn of any loss or theft of original Items;

(xiv) During the Retention Period and upon our request, you agree to provide us with the original Paper Item(s). Once the Retention Period has expired, you will mark the original Paper Item "VOID" and then securely and irretrievably destroy original Paper Items from which you have previously created and submitted to us as an Electronic Item;

(xv) You will ensure the safety and integrity of original Items from the time of receipt until the time of destruction. If warranted in our reasonable judgment, we may audit and monitor you, and you agree to cooperate with us to permit such monitoring, to confirm that you have satisfied your obligations under this Addendum;
