

## ACTIVITY 1: NEEDS vs. WANTS

Knowing the difference between needs and wants can help you become a smart spender. **Needs** are things that help us live, like food and clothes. **Wants** are things that you buy for fun.

Look at the items below and circle if it's a need or want.

 A BED	NEED	 ICE CREAM	NEED
	WANT		WANT
 A HOUSE	NEED	 CLOTHES	NEED
	WANT		WANT
 CANDY	NEED	 SODA	NEED
	WANT		WANT
 FANCY CAR	NEED	 BICYCLE	NEED
	WANT		WANT

CITO, YOU **NEED** A PLACE TO LIVE,  
YOU **WANT** A GAME CONSOLE.

## ACTIVITY 2: MAZE
